

XVI MATH KANGAROO COMPETITION IN USA

THURSDAY, MARCH 21, 2013

FRIDAY, MARCH 22, 2013 in GUAM

- 75 minutes multiple choice test.
- 24 questions (for grades 1 through 4) or 30 questions (for grades 5 through 12).
- Any student qualifies who can work independently.
- Each participant receives a t-shirt, a certificate and gifts on the test day.
- There are international summer camps and college grants among top awards.
- Questions are in form of word problems; they are chosen by the International Math Kangaroo Committee.

Math Kangaroo mission is to encourage students to master their mathematical knowledge, give them confidence in their ability for comprehending mathematics and develop ability to derive pleasure from learning.

There is a certificate of participation, a t-shirts and a souvenir for each participant on the test day.

In May the winners are awarded with prizes.

- Participation fee is \$20*.
- Participation Centers are listed on www.mathkangaroo.org.
- Any student can be registered for participation at any center listed on the web page.
- Schools are welcome to host the competition for their students.
- Visit www.mathkangaroo.org to enroll your student between September and December.
- Some places get full within a couple of days.
Register early!
