

Steps how to find a discount promo code to watch MK videos for free and purchase MK questions and solutions with 50% off.

~ good from the day you register to September 1st before the next Math Kangaroo season~

Log into your MK account here: <https://mathkangaroo.oasis-lms.com/Public/Catalog/Home.aspx>. Click on the arrow next to your name, then click on Purchase History and then blue button Continue:

A screenshot of the Math Kangaroo account interface. At the top right, the user's name "Joanna Ma" is displayed next to a green profile icon. A red arrow points to a dropdown arrow next to the name. The dropdown menu is open, showing options: "My Account", "Purchase History" (circled in red), "Switch to Admin", and "Logout". A red arrow points from the "Purchase History" option to the main content area. The main content area is titled "Purchase History" and shows a table with one order. The table has columns for "Order Placed", "Total", and "Transaction Code". The order is for "Harris Public Library - Session One (Granger, IN)" with a total of "\$0.00" and a transaction code "e95bd5b-45eb-4cad-9e74-a64818829 84". Below the table, it says "Purchased by Joanna Matthesen" and "For Joanna Ma". A blue "Continue" button is circled in red, with a red arrow pointing to it.

When the next page opens, click on Overview:

A screenshot of the Math Kangaroo account interface showing the "Overview" page. At the top right, the user's name "Joanna Ma" is displayed next to a green profile icon. The breadcrumb trail shows "My Registrations / Harris Public Library - Session One (Granger, IN)". The main heading is "Harris Public Library - Session One (Granger, IN)". Below the heading, there are two tabs: "Overview" (circled in red) and "Event Detail". Below the tabs, there is a section titled "General Info". A red arrow points from the "Overview" tab to the main content area.

Scroll down till you see the promo codes on the bottom of this page:
