

Dear School Administrator,

Please accept this invitation - at the request of some of your students - to host Math Kangaroo 2023 at your school. The information below will outline the basics of our annual competition. Math Kangaroo is a non-profit organization that manages international mathematics competition for children grades 1-12.

Timeline

- Competition date: March 16, 2023
- Center Registration deadline: December 1, 2022
- Student registration deadline: December 15, 2022

Logistics:

- No application fee for participating schools
- Registration fee per student: \$21 (paid by parents or a school*)
- School can register as an online or in the classroom center
- School participation can be managed by a teacher or a PTA parent

Benefits:

- Students learn mathematics, improve their math scores, and develop enthusiasm for math and logic reasoning
- School receives T-shirts, toys, and postcards for all participants before the competition
- School receives medals, ribbons, awards, and certificates for winners after the competition
- Students are given free access to sample questions and full sets of video questions and solutions
- End of season incentives are granted to the organizers who fulfilled the managerial task

Test:

- 75 Minute multiple choice test
- 24 Questions for students in grades 1 to 4
- 30 Questions for students in grades 5 to 12

**Math Kangaroo gives a 50% discount to Title I schools.*

Math Kangaroo celebrates its 25th anniversary – we would love your school to be part of this milestone. More information here: www.mathkangaroo.org. School registration link: [Register School for MK2023](#).

Looking forward to hearing from you.

Math Kangaroo Team
