

Registration FOR A PRIVATE CENTER

01

INVITATION CODE

"By Invitation" centers are open only to students who attend a particular school or club. Students are given an Invitation Code by the organizing admin only. Math Kangaroo does not provide the codes.

02

REGISTRATION WITH INVITATION CODE

Log in or create an account [HERE](#). Select the "By Invitation" tab on the left hand panel and enter the Invitation Code.

The screenshot shows the Math Kangaroo user interface. On the left is a sidebar with navigation options: Catalog, My Registrations, Promo Codes, Favorites, Practice Material, Donation, Badges, By Invitation (circled in red), and Help. The main content area is titled "Enter your invitation code below to enroll" and contains a text input field labeled "Invitation Code". A red arrow points from the "By Invitation" tab in the sidebar to the input field. Below the input field is a blue "Enroll" button. A red warning message is displayed below the input field: "If your school is enrolled in Math Kangaroo, please ask your school's admin to share the Invitation Code with you. Enrollment of students not attending this school (or not approved by the school competition coordinator) will be canceled without the refund."

enter the Invitation Code here

03

NEXT STEPS

Your Math Kangaroo location will be displayed in the next window. You can proceed with enrolling your student(s).

Please feel free to contact us at info@mathkangaroo.org with any questions.
