International Competition in Mathematics

Math Kangaroo Senior Scholarship Criteria

To be eligible for the Math Kangaroo Merit-based Senior Scholarship, candidates must meet the following criteria, and no application is needed:

1. *Math Kangaroo Distinction Award (\$1000.00)*

- Achieved **1st place nationally** in **grade 12**.
- Maintained a **top 3 ranking** (1st, 2nd, or 3rd) nationally **at least three times** in recent years (**8th-12th grade**).
- **Consistently participated** in the Math Kangaroo competition.

2. *Math Kangaroo Excellence Award (\$750, \$500, and \$250)*

- Achieved **national top 10** in **grade 12**.
- Maintained a **top 10 ranking** nationally **at least three times** in recent years (**8th-12th grade**).
- Consistently participated in the Math Kangaroo Competition over **multiple consecutive years, achieving outstanding results**.

The Math Kangaroo Senior Scholarship aims to acknowledge and support outstanding high school seniors passionate about mathematics, providing encouragement and assistance for their college studies in the field.
