

Dear School Administrator,

We invite your school to host the 29th Math Kangaroo Competition.

Math Kangaroo USA is a non-profit that brings the international Math Kangaroo competition to K-12* students across the United States.

Timeline:

- Competition date: **Thursday, March 19, 2026**
- School registration deadline: **December 1, 2025**
- Student regular registration deadline: **December 31, 2025**
- Student late registration deadline: **February 1, 2026**

Logistics:

- There is no application fee for participating schools.
- The registration fee per student is \$18, which can be paid by parents or the school. **
- At school, the test may be administered either as a paper-based test or as an online test on classroom computers.
- A teacher or PTA parent can oversee the center and administer the test.

Benefits:

- Students' participation enhances their math skills, boosts performance, and develops greater enthusiasm for math and logical reasoning.
- The school receives ribbons, toys, and pencils for all participants before the competition.
- After the competition, the school is given medals, ribbons, trophies, and certificates for the winners.
- Students gain free access to sample questions and complete sets of video questions and solutions.
- End-of-season incentives are provided to center managers who have completed their managerial tasks.

Test:

- 75-minute multiple-choice test
- 24 questions for students in grades K to 4
- 30 questions for students in grades 5 to 12
