XXIX MATH KANGAROO USA COMPETITION FOR K-12 STUDENTS

THURSDAY, MARCH 19, 2026

-  75-minute multiple-choice test
-  Test includes:
 - 24 questions for grades 1–4
 - 30 questions for grades 5–12
-  Questions include engaging word problems and are carefully selected each year by the International Math Kangaroo Committee to challenge students' problem-solving skills.
-  Open to any student who can read and work independently.
-  Registered students receive free access to video explanations and solutions from past competitions to help them prepare.
-  Every participant receives:
 - A Math Kangaroo ribbon
 - A small gift
 - An electronic certificate of participation
-  Top performers may receive:
 - Medals
 - In-kind prizes
 - College grants
 - Invitations to local and international math camps

Regular registration: Sep 15 – Dec 31, 2025
