

Math Kangaroo Class Level 3-4

Make a Table Handout

Welcome to Math Kangaroo!

In this lesson, we will discuss the strategy of making a table to solve problems. Some Math Kangaroo questions have figures that could take time to draw. So, I have provided the figures in this handout. Please print it out before the class and have it with you to work the problems along with me.

What to do before the class:

1. Prepare paper and pencil.
2. Print this student handout for webinar questions. Do not write anything in advance.
3. Allow pop-ups on your device.
4. Learn how to use chat if you would like to ask questions.

I am looking forward to seeing you in this fun and educational class.

~ *MK Staff*

Warm Up

Girls	Boys	Total

1.

Week	Number of boys	Number of girls

2.

Year/change in weight	spring	summer	fall	winter	
2004					
2005					
2006					
2007					
2008					

3.

Expression	Result
2002+2003+2004-2005-2006	1998

4.

Number	Number with 0	Difference
51	501	$501 - 51 = 450$
52		
53		
54		
55
