

In this lesson we will talk about **Introduction to grade 5&6 math**.

What to do before the lesson:

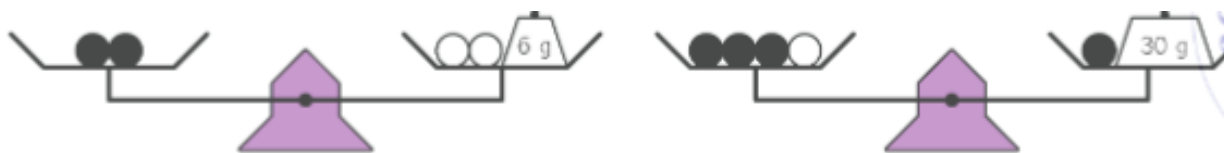

- Prepare paper, pencil, and markers, optional – white board
- Print this handout

Some Math Kangaroo questions have figures that could take time to draw. We have provided these figures for the lesson in this handout. Please print it out before the class and have it with you to work the questions in class. Do not write anything in advance.

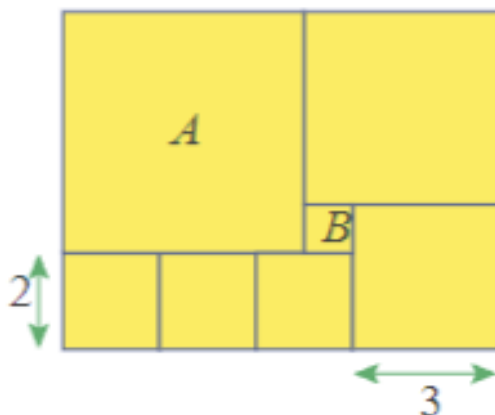

Looking forward to seeing you in this fun and educational class.

- Your MK Teacher

Question # 2

Question # 8

Question # 10
