

In this lesson we will see how to solve problems about buying things and counting money.

Some Math Kangaroo questions have figures that could take time to draw. We have provided these figures for the lesson in this handout. Please print it out before the lesson and have it with you to work on the questions in class. Do not write anything in advance.

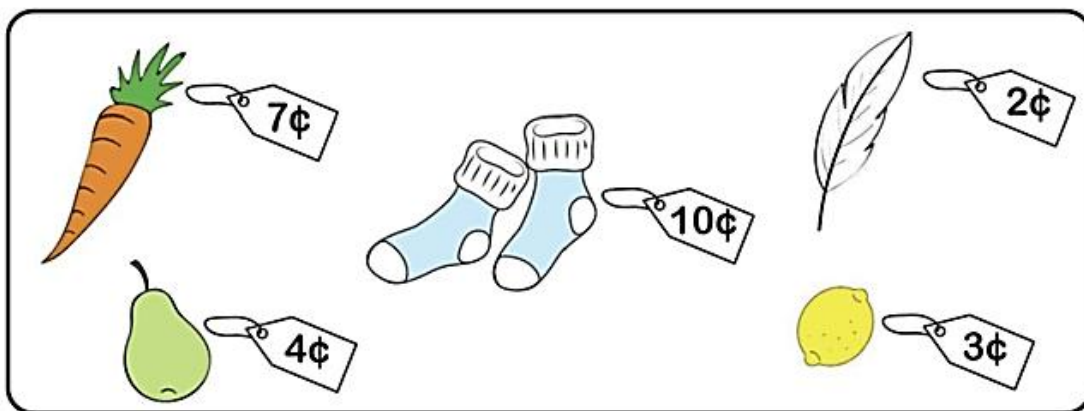

What to do before the lesson:

- Prepare paper, pencil, and markers;
optional – white board
- Print this handout

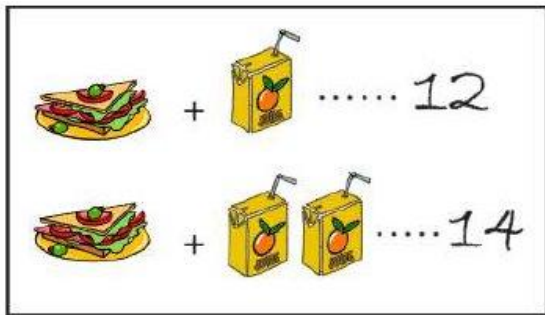

Looking forward to seeing you in this fun and educational class.

- Your MK Teacher

Warm up

Question #1

Question #4

Grocery Store

				
Milk	Lollipop	Bread	Butter	10 bananas
\$2	\$1.50	\$2	\$2.50	\$5

Question #6
