In this lesson, we will work with strategies to solve story problems.

Some Math Kangaroo questions have figures that could take time to draw. We have provided these figures for the lesson in this handout. Please print it out before the webinar and have it with you to work on the questions in class. Do not write anything in advance.

What to do before the lesson:

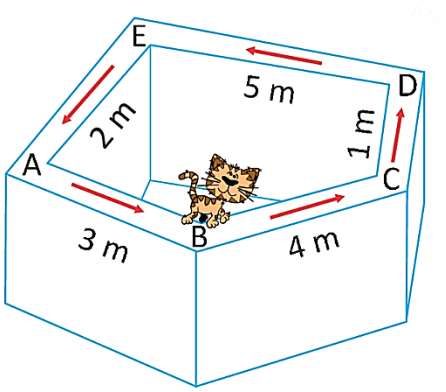

- Prepare paper, pencil, and markers;
  optional – white board

- Print this handout

Looking forward to seeing you in this fun and educational class.

- Your MK Teacher
